

Where curiosity leads, learning follows

PRINTABLE CLASSROOM CALENDAR

Monthly Classroom Rhythm Calendar

Plan one month of Montessori classroom rhythm without over-scripting the children. Use it for work-cycle anchors, grace and courtesy reminders, practical life and care-of-environment focus, observation notes, and the next small adjustment.

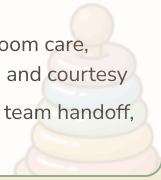

Format Printable web page

Age 3-6

Focus Work cycle, classroom care, observation, grace and courtesy

Use Monthly planning, team handoff, weekly reflection

Week 1	Practical life and care of environment Shelf reset, table washing, plant care, food prep rotation	Grace and courtesy Greeting visitors, asking to observe, returning work quietly
	Language, sensorial, and culture focus Language baskets, sensorial grading, culture story or nature tray	Observation focus Which children settle into the work cycle without reminders?
	Notes and adjustments 	Next presentation or reset
Week 2	Practical life and care of environment Care of environment jobs, sweeping, cloth folding, snack station	Grace and courtesy Interrupting politely, offering help, waiting for a turn
	Language, sensorial, and culture focus Sound games, pink tower extensions, maps, classified cards	Observation focus Where does independence break down during transitions?
	Notes and adjustments 	Next presentation or reset

Week 3	Practical life and care of environment Pouring, spooning, polishing, classroom laundry or cloth refresh	Grace and courtesy Walking around mats, inviting a peer, restoring shared materials
	Language, sensorial, and culture focus Moveable alphabet readiness, color tablets, land and water forms	Observation focus Which materials are repeated and which are being avoided?
	Notes and adjustments 	Next presentation or reset
Week 4	Practical life and care of environment Community care, shelf audit, plant trimming, end-of-month reset	Grace and courtesy Group gathering, thank-you routines, peaceful problem solving
	Language, sensorial, and culture focus Story sequencing, geometry cabinet, seasonal culture work	Observation focus What needs simplifying, extending, or rotating next month?
	Notes and adjustments 	Next presentation or reset
Week 5	Practical life and care of environment Buffer week: repeat strongest routines and prepare next cycle	Grace and courtesy Review the routines children still need modelled slowly
	Language, sensorial, and culture focus Observation-led review, small-group presentation catch-up	Observation focus What pattern should shape next month's first week?
	Notes and adjustments 	Next presentation or reset

Monthly rhythm anchors

Use these anchors as a quick team check before the month begins. Keep only what helps the room feel calmer and more independent.

Work cycle Opening shelf invitations, uninterrupted work time, calm closing reset	Transitions Arrival, snack, outdoor return, lunch, rest, dismissal	Outdoor and nature Garden care, weather noticing, nature table additions	Community care Shared jobs, meal care, classroom beauty, repair work	Reset and reflection Friday shelf check, notes review, next-week adjustments
